MOHAMMED ABDUL HAMID

B.A., PMP®, PMI-ATP

Being confident can be more
powerful than being right

Mo Babangida

MO Babangida

I am a PMI-Certified Project Manager
with the Project management Institute,
USA.

10+ years experience in business & corporate management.

I serve in various capacities as a project manager, team lead, business training facilitator, technology advisor and mentor. I have competencies in both Waterfall and Agile approaches, with expertise in Project Change Management, Project and business Communications Management, Project Schedule Management, business modeling, Quality Assurance, and Control.

I am one of the few Authorized Project Management Training Provider with the Project management Institute, USA, in Ghana.

ENGAGEMENTS

1

I am a PMP Instructor at the
**Cambridge Center
of Excellence**

in Ghana, USA, Cote d'Ivoire,
Liberia, Sierra Leone and
Cameroun where I support
organizations to build tailored
systems and tools around project
management and develop
processes that guarantee
sustainable organizational and
business value.

Other Engagements Includes:

2

Training consultant for the
**Project
Management
Learning Center
(PMLC)**

USA

3

Senior Project Analyst
**PMLC Consulting
Group (PCG)**

Miami-USA.

I have trained in my professional career, thousands of people, from mid-level to top-level professionals, in various fields all over the world including IT, oil and gas, mining, education, health, security, etc. I am also an AI research and Policy analyst. I guide business leaders and organization on how to leverage on Artificial Intelligence for business growth.

In the last decade, I have worked in the social transformation and business development space as a management consultant, team lead, researcher, business coach, writer, and public speaker.

Abdul Hamid

MO Babangida

MOST PROUD OF.

I have trained and mentored hundreds of rising global corporate leaders in the last

5 Years

I have **trained thousands**

of top and mid-level professionals in project management across all industries with trainees from Ghana, Nigeria, Liberia, Sierra Leone, Gambia, Senegal, Rwanda, UK, USA, Canada, Lebanon, etc.

I have been able to support organizations to optimize their work environment and improve efficiency by an average of

30%

by leverage on technology, evolving global standards and results based management frameworks.
